

"In response to your letter dated 8/29/07.

We are in the process of monitoring qualification of multicandidate status. We have not yet met the requirement of 51 contributors.

We are amending our report to correct the Line 21(a)(i) and (a)(ii) discrepancy. The commercial software we use was not set to itemize all expenditures on schedule H4, it was only itemizing those over \$200.

We are amending our report to clarify the description for Committee Consultant . Mr. Davidson is hired by the PAC to recruit members and handle the day-to-day administrative functions of the PAC.

We will be amending our H4 to disclose the credit card memos for all payments. Previously only the ones over \$200 were included.

Regarding limited administrative services. The committee has an independent consultant and an independent bookkeeper and does not have a headquarters for the PAC offices. A volunteer board of directors runs the PAC. The committee has limited administrative costs.

The expenditures for reception costs and expenses are for member receptions and meetings. The receptions are not on behalf of specific candidates and are not fundraisers for the committee or candidates. The committee has receptions for membership recruitment and routinely has guest speakers of a political nature for the benefit of the PAC s membership. The descriptions on the report will be amended.
